

THE DIRECTOR OF
CENTRAL INTELLIGENCE

National Intelligence Council

5 November 1982

NOTE FOR: C/NIC
VC/NIC

FROM : MG Atkeson
NIO/GPF

SUBJECT : Geographic Escalation Paper

In view of the newly emerging concern for the topic of this paper, I recommend we publish it as a NIC Memorandum without further ado. It is wholly satisfying to no one, but offers provocative judgments to all. Sometime later, if we want to continue with the matter, we can go into the opinion survey business. My recommendation: cut and go to press.
